★ Afterword ★

Thank you everyone for reading "Virgin Break".

Let me express my gratitude to you.

This time the main story wasn't published before, so I was very nervous.

I still couldn't hold back my laughter whenever I think about what the editor told me. To make a book titled "Virgin Break".

Everyone must be curious about how we came up with such a name. Never mind. Let's drop the subject.

"Virgin Break"

★ Theme is on **AV** scene actor

This main character is a shubunsen gay. I feel that everyone in each story in this series. It was about a gay filming **AV**. Oh, yes **YV** came to my mind. (My interest is to watch gay **AV** because I can use them as a reference.)

"Last year"

★ Theme is about a mother and a servant

I was at Kiyoshi when I was drawing this one. This is the final piece. There were some nice ornaments in the background. There were gifts for friends.

I thought a book couldn't be done and some errors were made.

I thought I wouldn't be able to draw. I really need to work hard.

"Vagally"

★ The main character is on **aka**

His partner is an uncle and I won't talk much on that. I had wanted to have some drama, but Haruka's didn't get to do a lot. I'm thinking of drawing a continuation, but that's chief. I didn't even come up with his name at the end. So proud. (laugh)

"Revenge! Bang Out"

★ Theme is about a doctor performing an **ejaculation** on a patient

This was done for a theme anthology. I'm sorry it was a bit off-track. I kept thinking "very happy" when I was drawing this. Editor also gave me the go-ahead. These two characters appeared in another book of mine, **Revenge**. Read it if you're interested.

"7 days"

★ This is another story about how a man returns

This is one of the stories on **BGP**. It was my first time doing a 2-part story. It was difficult. Although I had the inspirations, it wasn't easy to draw them. I even did some major changes before it was published for the second part. It was originally set as a part of the chief and the assistant chief. Both of them ranged on police officers and had a sex relationship. (laugh)

★ Sanae Rokuya Works ★

"Not for sale"

"Revenge"

"Shocking"

"Red"

Please come to my web site if you have any problems or comments. I have been doing manga for four years and published 5 books. I really want to thank all the editors, readers and the publishers' support. Thank you. I will work hard.

I will be very happy if I can receive all your letters. I always treat the readers' letters as my treasure. I always wanted to say, "I draw for you". That's about all. I'm not very good at essay writing. I hope my feelings can be expressed. Hope to see you next time.
